And, Whereas, it was provided in said Act that the Commissioners of said Park named in said Act, at least a majority thereof, should have power to agree with any or all of the owners of the Real Estate embraced within the Park or avenues described in said Act for the purchase of the same at a reasonable price, and that in such cases the deeds from such owners should be to the People of the City and County of St. Louis, and should vest in them and their posterity forever, an indefeasible estate in fee simple absolute to the land to be used for such Park forever, subject only to the payment of the purchase money of the same.  names thereto belonging unto the said People of the City and County of St. Louis and their posterity forever, to be used as and for a Public
 Park forever. This Deed and conveyance is however made subject to the following conditions, reservations, restrictions, and agreements, to-wit:
 Whereas, the said Commissioners of said Parks, in consideration of this conveyance and the agreements herein contained, have issued and
 delivered to said parties of the first part, certain "Trust Park Bonds" authorized to be issued by the act aforesaid, numbered respectively
 from 11 to 20 and 199 to 154 inclusive, and bearing date July 1st 1852 and payable twenty years after the date thereof, each for the sum of
 One hundred dollars, and having semi-annual interest coupons attached for interest on said bonds, at the rate of seven per cent per an-
 num; the said bonds being issued for the purchase money of the premises herein conveyed. Now, if the said bonds and each and every
 installment of interest on each and all of the same be paid by said Commissioners, or the City or County of St. Louis, or by any person or
 corporation in behalf of said Commissioners, or said City, or the People of said City or County of St. Louis, as the same respectively falls due
 then this deed shall become absolute, and the said premises shall ipso facto stand released from the lien and encumbrances herein
 retained and reserved; and said parties of the first part, or their representatives, shall also formally release said premises from the
 same. But if any one or more of said bonds remains unpaid after the maturity thereof, then the lien or encumbrance herein reserved
 may be foreclosed in the manner provided by the Statutes of the State of Missouri, for the foreclosure of mortgages and deeds of trust; and
 the notice of the proceedings to foreclose shall be served upon the President, or the Executive Officers of said Commissioners, the Mayor of the
 City of St. Louis, and the Presiding Judge of the County Court of St. Louis County then in office. And the Court where such proceedings to foreclose
 may be instituted may in such case, order a sale of said premises or order or decree the title to the same to be reserved to said parties
 of the first part, and the possession thereof restored to them; and generally to make any order or decree concerning said property, that may be just
 and equitable in the premises. And it is further understood and agreed by the parties hereto, that if at any time before the maturity of the bonds
 executed and delivered to said parties of the first part as aforesaid, it shall be deemed desirable by said Commissioners to subject all
 of the real estate embraced within the limits of said "Trust Park" to a general lien or encumbrance for the purpose of securing all of
 the bonds issued by said Commissioners under the Act aforesaid; then and in such a case the said parties of the first part shall and
 will release the specific lien herein reserved, and the premises herein conveyed may be subjected to such general lien or encumbrance
 aforesaid; provided, however, that the bonds issued as aforesaid to said parties of the first part, shall in such an event be em-
 braced among the bonds to be secured by such general lien or encumbrance. And said parties of the first part, agree with said
 Commissioners, that the payment of the six and twelve month interest coupons on said bonds may be postponed and deferred until
 the maturity of the eighteen month interest coupons; and all coupons not paid or due shall bear 4 per cent interest. In
 witness whereof said parties of the first part, have hereunto set their hands and seals this 24th day of October 1852
